

## Three Questions

Let's start here with these 3 questions. These questions are meant to give you something fun & easy to start.

What's the earliest memory you have that you are fond of?

What is your favorite tradition?

Do you remember anything about your ancestors or their legacies?

You can print this document and write the answers down or many get super fancy and record your voice or a video to answer the questions.

And one last thing, you are not alone. If you are stuck, you have a question, or you have feedback, please email me at [Bethanie@JoinMemento.com](mailto:Bethanie@JoinMemento.com) or call me at 866-831-9888 (this rings to my direct cell phone). Pick up the phone and give me a shout, I would love to talk to you & help you get un-stuck!
